VIGORIA

 Dreyg > ⋯ Dreyg > World Atlas > Cities & Landmarks > Coerth > Vigoria

The forge village led by Helpriest Fondanter and his five apostles. This village is run off the backs of captured slaves that bring the raw metals into the great forges and keep them running. If a slave proves to be useless they are thrown into the fires of the forge as fuel. It takes immense amounts of work to craft armour suitable for the Divini and the Saints, and of course the richer noble households. All the best forged weaponry and armour in the kingdom at least stems from Vigoria and outside enchantments are of course placed upon them to make them even more powerful.
