Rituals of the Chlyus

## HISTORY

The elders of this colony destroyed several huge rifts that led Dreygsin to other realms because they feared the unknown, greatly severing the roots of the [The Great Dreyg Tree](#) to the others because their oracles foresaw great strife and pain with the enslavement of their species. The oracles of this colony were spared and they were traded to the [Derveni](#) where they remain in very loose captivity. Offering wisdom to them and any Chlyus survivors that seek Them out.
