FLORENTANTIA

📍 Dreyg > ⋯ Dreyg > World Atlas > Cities & Landmarks > Coerth > Florentantia

Led by Helpriest Tacticus, this village is known for its creation of silk paper and many inked pigments. While it may look beautiful backed by its usual grey cloudied skies with all the flowers there are huge bone piles of different origin, all used for pigment production. The scrolls produced within Florentantia all have magical properties as they have many old families within the congregation that each have individual secrets on how to produce the perfect scroll. Outside colonies pay huge sums in order to have such incredibly powerful pieces of magik.
